

Borrell Associates Standard Market Definitions

This document lists the individual counties that define each market area within **four standard market types** that are often used in Borrell contracts:

- | | |
|---|-----------------|
| 1. Television Market Areas (TMAs) | Pages 2 - 59 |
| 2. Core-Based Statistical Areas (CBSAs) | Pages 60 - 118 |
| 3. Digital Marketing Regions (DMRs) | Pages 119 - 177 |
| 4. States | Pages 178 - 236 |

A Borrell data license agreement may incorporate the market definitions found in this document by specifying the standard market type (TMA, CBSA, DMR, or State) and the standard name of the market within that type.

For example, an agreement that includes “the Seattle TMA” and refers to this document (“Borrell Standard Market Definitions”) incorporates the following market definition into the agreement:

Seattle Television Market Area

Chelan, WA	King, WA	San Juan, WA
Clallam, WA	Kitsap, WA	Skagit, WA
Douglas, WA	Lewis, WA	Snohomish, WA
Grays Harbor, WA	Mason, WA	Thurston, WA
Island, WA	Pacific, WA	Whatcom, WA
Jefferson, WA	Pierce, WA	

If a Borrell agreement includes non-standard or custom market definitions, the names of the custom markets and the complete list of individual counties that constitute each market will appear in the agreement.
